

Discover Financial Services: code_orange Program Applications for Spring and Summer Positions

The code_orange program is a unique Discover® employment opportunity for students of Northern Illinois University. Applications are currently being accepted for the Spring and Summer 2019 semesters. We are looking for passionate people who value exploring new ideas, designing new solutions and developing applications using the latest technologies. Become a **Campus Innovator** and make an impact by solving problems through team-based software development. Campus Innovators will have access to a state-of-the-art Discover Lab located in the center of campus at the Founders Memorial Library. This provides students a great balance of taking classes and experiencing real work in our company culture. Students will also interact and network with Discover mentors and management.

Basic Qualifications:

- Must be enrolled at Northern Illinois University
- Must be a Junior or Senior standing during the semester applied for (spring or summer 2019)
- Working towards developing expertise in such areas as Computer Science, Computer Engineering, Informatics, Management Information Systems, Information Security, Networking, Telecommunications or a related discipline
- A minimum of 3.0 major GPA on a 4.0 grade point scale

*This position is not eligible for visa sponsorship

Students interested in applying for both the spring and summer semesters must submit separate applications. There is no deadline, but students are encouraged to apply early for consideration.

For Spring 2019 applicants, apply here <http://www.mydiscovercareer.com/job/8765292/northern-illinois-university-campus-innovator-riverwoods-il/>

For Summer 2019 applicants, apply here <http://www.mydiscovercareer.com/job/8765293/2019-summer-northern-illinois-university-campus-innovator-riverwoods-il/>
